

You can use the form below to settle an invoice either with PayPal or with a credit/debit card. You can also make a pre-payment for remote support here.

- You do **NOT** need a PayPal account to use this form.
- Please enter below the invoice number and date of the invoice as they appear on my invoice. You can still continue if you do not know this information or if an invoice has not yet been issued.
- Then click the “Pay Invoice” button.
- You will then be asked on the next screen to enter the amount of the invoice. Please enter the total amount shown at the bottom of the invoice.
- You can then either complete the credit/debit card details or log into your PayPal account.

Thank you!
